Curiouser AND Curiouser

Longing to leave behind her boring and predictable world, young Alice dreams of an exciting land where nothing is what it seems. Her dream comes true when she falls down a rabbit hole and finds herself in Wonderland—an extraordinary place filled with magical forests, strange tea parties, and absurdity at every turn. But when she meets the short-tempered Queen of Hearts, Alice must find a way back home before she loses her head. Literally!

Fall down the rabbit hole and into the wonderful world of nonsense with this colorful graphic novel retelling of the beloved Disney classic. Featuring over a thousand movie images and lyrics from each unforgettable song, *Disney Alice in Wonderland Cinestory Comic* is the ideal companion to the movie.
